Bolded products represent drugs requiring prior authorization for medical necessity that are new for the 2018 plan year

There may be additional drugs subject to prior authorization or other plan design restrictions. Please consult your plan for further information. Products covered by a member's prescription benefit plan may change from time to time. Preferred brand products are listed in UPPERCASE LETTERS, generic products are listed in lower-cased italics, and other products listed are non-preferred. Medications are covered based on member's benefit plan design, regardless of their appearance on this document. The listed formulary items are subject to change.
